Welcome to The Grapevine

We've been serving up delicious food and drink since 2013

Just a little note about our menu:

Best enjoyed shared amongst friends

Pick a selection of dishes, (we recommend around 5-6 dishes for 2 people, most dishes are larger than your average tapas)

Our food will arrive at your table all at once and not staged.

All dishes are cooked to order so if you would like something amending then please ask. During busy periods it may take a little longer but it's sure worth the wait!!

Our staff are here to help should you need any advice, please don't hesitate to ask and most of all, enjoy and spread the word, customer feedback and reviews means so much to us.

All served with a yorkshire pudding, stuffing, broccoli, honey roasted carrots and parsnips, roast potatoes, lashings of gravy and your choice of condiments (we won't judge!)
